

Project Overview

As of April 27, 2012

Joyce Avenue - Phase 3

Description and Benefits: Project will improve Joyce Avenue from just north of 17th Avenue to Kenmore Road. Upgrades and additions include curbs, gutters, sidewalks, *Americans with Disabilities Act*-compliant curb ramps, shared-use path for bicyclists and pedestrians, improved signals and signage, storm system, street lighting, landscaping and resurfacing. Joyce will be widened from two lanes to three in several sections.

The finished project will provide safer pedestrian and traffic accommodations, improve roadway appearance, add drainage facilities and encourage redevelopment in the corridor.

Status: In design.

Schedule:

Design scheduled for completion in December 2012 and right-of-way acquisition in January 2014. Construction expected to start in spring 2016 and finish by spring 2017.

Costs:

Design, right-of-way acquisition and utility relocation	\$650,000
Construction and inspections	\$4,100,000
